

East Hampton Recycling Center

Recyclable Items

1. Tin Cans & Aluminum

- Pet food cans, soda and beer cans, soup cans, empty aerosol cans, empty latex paint cans, vegetable cans, etc.

2. #1 & #2 Plastic Bottles Only

- Plastic bottles that are identified on the bottom or lower portion of the bottle with #1 or #2 inside the recycling logo. Remove the caps. Some helpful tips to remember:
 - No toys, flower pots, bags, etc.
 - The neck of the bottle must be smaller than the body
 - If the container had a food product in it, it will go in non-recycled waste (even if it is a #1 or #2 plastic).
 - If the product had liquid in it, it will go in this container, but only if it is a #1 or #2. Please note some liquid bottles are also #3, #4, etc. and are not recyclable.

3. Glass bottles and Jars only: No ceramics, light bulbs, plate glass, stemware, etc.

- Glass is crushed on site and is available to residents free of charge

4. Corrugated Cardboard

- All types of corrugated, including shiny and or painted lettering. Please empty all Styrofoam and paper packaging, and flatten cardboard.

5. Newspaper

- No glossy print (glossy print goes in mixed paper).

6. Mixed Paper

- Catalogs, telephone books, junk mail, shiny newsprint, etc. Typically any paper that would be used for reading or writing.

7. Batteries

- All types... Place small household batteries in appropriate containers

8. Clothing: place usable clothing in charity containers.

9. Electronics: Computers, televisions, cell phones, VCR & DVD players, video cameras (no charge for disposal)
